Respected sir,

I offer to erect and donate a free dispensary and a Hospital at my own cost, if the government allow a suitable site in Krishna Rao Park, Basavangudi. Four wards accomodating 75 or in-patients will be constructed each measuring 70 x 35 feet, h one hall measuring 50 x 12 feet surrounded by four verandas. round 10 feet wide and four rooms each 10 x 10 feet at the corner. There will be one Medical ward for males, one for females and one Maternity ward. There will be residential free quarters one for the Lady Medical Officer and another for the Nurse. There will be a foundlingward where the babies just born (that are likely to be thrown to gutters) will be received by the nurse of the institute keeping it strictly confidential. The fourth building will be utilised for out patients dispensary, laboratory, free reading room library and by the members of the medical profession belonging to various systems of medicines for convening the clinical meeting. There will be some special wards for medical and maternity cases. Medical men practising Allopathic, Homeopathic or Indian system of Medicine will be allowed to treat their patients in these free wards making use of the laboratory, library and medical advice from eminent medical men who are giving their honorary services to the institute. All patients will be treated free with Indian or Homeopathic medicine as they are very effective and cheap. Some diseases which are incurable or cannot be cured with aiopathic medicine without having recourse to knife will be treated sucessfully with these medicines. I offer my free services for the profession and the management. All patients will receive accomodation, medical advice and free medicine. Only the necessitous poor will get free diet. In the laboratory Indian and Homeopathic medicines will be prepared and sold to the professoon at a very moderate price. It is possible to maintain the hospital from the profits derived from the sale of Homeopathic Indian Medicines (Homeopathic medicines mother tinctures) at present will be importe from America by air mail and diluted with alcohol or sugar of milk.

as it is done every where in India Later on these original (called mother tinctures) will be prepared in this laboratory If we get one ounce of Homeopathic medicine of a certain drug from America, which may cost about a Rupee and diluted with alcohol and sugar of milk according to the Homeopathic principle, this will be sufficient to cure more than one thousand patients I will present some valuable Homeopathic, Allopathic and Ayurvedic books, surgical instruments required for minor surgery and normal delivery for the use of the Hospital and the profession As soon as this scheme is approved and a suitable site is allotted by the Government the work will be started immediately The building will be a reinforced cement concrete, well ventilated, well lighted When the institute is turning out honest work, when an appeal is made for funds and free services, if there is good response from the public, profession and the government, the hospital will be extended giving accommodation for five hundred in-patients with the latest equipments for diagnosis treatment and research work A few deserving and selected students will be given free instructions and training, if the students give an agreement that they will practice in rural areas for at least three years There is no difficulty in completing the building in three months if the government supply me cement, iron and timber for the building at the controlled rate I have got 175,000 bricks ready in If the scheme is approved, site is allotted by the government, to show my eagerness and earnestness, I will hand over a cheque for Rs5,000-0-0 (Rupees five thousands only) to the government as a deposit for the supply of cement, iron and timber at the controlled price When it is not possible to run the institute from the profits derived from the sale of medicines and with the honorary services of Medical Practitioners or from the public patronage, it will be handed over to government I expect a reply within fifteen days as I want to initiate the work^{ne} immediately These schemes are subject to suggestions, alteration and corrections from the professional men, public and the government

**OFFICE OF The Chief Engineer for Roads
and Buildings in Mysore Bangalore**

Date

9.7.45

To *Mr. P. S. Rao*
The Secretary to Government,
Law Department,
Bangalore

Re: Grant of land for the construction of a free
Dispensary and Hospital in Sir M N Krishna Rao
Park, Basavangudi, Bangalore

With reference to your letter No L 10143 dated 10th
April 1945 forwarding for report the petition dated 2nd
January 1945, received from Mr S T Mady offering to
erect and donate a free dispensary and hospital at his
own cost if a suitable site in Sir M N Krishna Rao's
Park is made available, I have the honour to state that
the area is expressly meant for a play ground and park
for children and women and it is not desirable to put
up any private structure in this park

The petition is returned herewith

I have the honour to be,
Sir,
Your most obedient servant,

W. S. Rao
Chief Engineer for Roads
and Buildings

31/7/45

~~Endorsement~~ - granted

L-729- MU 85-45-4

Dear Sir

In reference to your

Memorandum dated 4-1-45 addressed
to the Minister L.S. & P. & offering
to erect and donate a free
dispensary and Hospital at your
own cost if a suitable site is
Sir M. R. Krishna Rao's park is
made available. I am directed
to state that, as the area in question
is expressly meant for a play-

ground and park for children and
women. Your request, ^{to put up a building as proposed} cannot

be complied with

V faithfully

S J Macky-Esq,
